REFLECTIONS..... So What Has Changed in Thirty Years?

On 29 July 1979 our very small beginning community received these words: 'You are mine. I have lifted you out of the mire and filth of the world. I have lifted you to be a witness to my name. You are firmly in my hand this day, I shall go before you, I will form you, I will teach you. I am with you. Put your hand in mine, I will lead you along the path, the way I want you to go, trust in me.'

What made me give my 'yes' to a lifetime committed to building community? And then stand with my young family to make a **full covenant commitment** on 4 August 1980? Yes, you do not need be a rocket scientist to work out that we had hardly taken any training or initiations at that time - we had none! But we needed a committed core to step forward and say YES.

How did I get to that point so early? Well I looked at the words spoken and I believed. I put my hand to the plough.

I believed we had been lifted from mire, **I wanted** to be a witness to Jesus, **I liked** being firmly in his hand, **I wanted** to follow and to be 'improved'. **I did** put my hand in his as best I could. And I took my family with me.

So what has changed in thirty years for me? Absolutely nothing. I still believe, I still want, I still like, and I still need 'improving'.

Christian Community cannot be an appendage to an already busy life. If you are doing it that way, you are doing it wrong. Embrace it as life. Living in Christian Community is a valid way of living life, and living life to the full. I thank God that he has called Veronica and I into such a place as this, at such a time as this - the Lamb of God. And I pray God will grant us the grace and ability to stand firm as a members of the Lamb of God until He calls us home.

FIJIAN FAMILY JOINS LAMB OF GOD

It was with great joy the Christchurch branch received Aselemo and Ana Masara and family - Benjamin, Seva, Sisilia, Lote, Seiniana and Valavia into Initial Commitment in June. The 'connection' with the Masara family happened several years ago when Roger and Veronica gave a 'Steps to Strengthen Your Marriage' Seminar in Suva, Fiji. Ana attended and when she heard us say we were from Christchurch decided to talk with us after the Seminar. She told us her husband Aselemo had just moved to Christchurch having accepted redundancy from his Suva employer

and was now there looking to establish in work and accommodation. Would we contact him? We did and the relationship started.

Shortly after Aselemo and Roger met, Aselemo received news from Ana that she was expecting a baby, conceived just before he departed for New Zealand. This was wonderful news but it made it so tough for both Aselemo and Ana being separated. The Branch invited Aselemo to live on-site in our previous office centre [The Cottage] at Lamb of God and we were able to financially assist the family by charging an initial very low rent. What a joy when the family eventually reunited here in Christchurch. They add a wonderful 'flavour' to our branch and we are delighted to now receive them into membership.

Interestingly son Benjamin is returning to Fiji in September as a member our Youth Mission Team. Go Ben.....

30th ANNIVERSARY EVENTS IN CHRISTCHURCH 4-5 JULY

The Christchurch Branch is hosting two special events early July to celebrate the 30th anniversary of the founding of the Lamb of God. On Saturday 4 July we are hosting an invitation only family Lord's Day and catered meal, with special invited guests from various churches, from the Charismatic Renewal, the Light of Christ Community and Lamb of God leaders from Auckland, Napier, Wellington, Nelson, Blenheim, Timaru and Dunedin. Following the Celebration Meal, there will be an Anniversary Power-Point presentation which has photographs as far back as 1979 tracking various aspects of our life as a Christian Community. For our branch - this is a huge event to host, cater, serve and accommodate - but what a joy!

On Sunday 5 July we continue the Celebrations with a Special General Gathering [2.00 to 4.00pm] open to all. This will include a sustained time of worship, a briefer version of the Power-Point, items of song and dance, and a time of witnessing. It concludes with a time of fellowship for adults and an ice-cream feast for the children. [Please refer to the separate notice in this issue, page 6.]

'ENDEAVOUR FUND' TO SUPPORT OUR YOUTH

Several months ago the Lamb of God received a substantial special donation from a member family. This donation has been set aside into a deposit fund known as the **Endeavour Fund**, and the purpose is to assist and subsidize some of our youth to undertake courses, particular training or Biblical study with the objectives of strengthening their walk with the Lord and using what is learnt to better serve as a member of the Lamb of God.

I am pleased to advise we now have three national 'trustees' and their initial task is to set up guidelines and an application process for the Fund. Elias Martis of our Auckland Branch will lead the team, and will be assisted by Jaison Mariposa [Central Region] and Kath Murray [South Island Region]. In due course the **Endeavour Fund** will be open to receive donations from members or other persons towards its objectives.

AUCKLAND BRANCH TELEGAMES

The Auckland branch recently held a Telegames night after a Lord's Day on May 30 and the brothers and sisters of all ages had a fantastic time together. Some wacky games were held, including catch the flying paper with boxes tied in their wastes. What a great, enjoyable night!

FR. JOHN REA'S HEALING MINISTRY TESTIMONIES

[Fr. John's Healing Rally in Pemberton, about four hours drive south of Perth]

This is Anne's Testimony: Anne and her husband have a farm just outside Boyup Brook. Anne fell off a motorbike about 6 years ago, and suffered an injured left shoulder. She has physiotherapy treatment on and off since the accident but it doesn't give her much relief, and felt she would just have to live with it. Now and then the pain gets really annoying and to get relief, she joins her hands behind her back and pulls her shoulders back and forth.

Fr. John was conducting a Healing Rally in The Sacred Heart Church, Pemberton, West Australia, on Saturday, 2nd May 2009, and Anne came for the rally. She said that as soon as Fr. John started to talk, she felt a warm feeling and softness, like her shoulder and arm were wrapped in cotton wool, she felt this from her shoulder down to her elbow, and the pain left her. She considers herself healed and is still amazed at what happened to her.

This is Angela's Testimony: Angela fell down stairs at the University of Western Australia sometime in 1972 and broke her spine. She had an operation on her spine that was successful, but was in hospital for many weeks. When she was in about her mid 50's she developed arthritis, and most of it centred about the area of the spine operation. As she became older, the

arthritis spread up to her neck and down to her ankles. Over the years, she has suffered a lot of pain and lack of sleep. She is 84 years old.

Angela went down to Pemberton, West Australia, about an hour's drive from Boyup Brook, where she lives, on Saturday 2nd May 2009, to attend a Fr. John Rea Healing Seminar with her friend Pauline. During the afternoon session, Fr. John mentioned various illnesses, and asked if anyone was suffering from them to stand up. When Fr. John mentioned arthritis, Angela immediately stood up, along with about 6 other people. Fr. John asked the people sitting around them to lay hands on them as he prayed, and he asked those standing up, to form their prayer to the Lord, and to tell Him exactly which part of their body they would like healed.

(Now Angela is unique, she has a great faith, and strong sense of right and wrong, and you'll get told in no uncertain terms, which is what all people love about her. She said, "I told Jesus, that I would like Him to heal me from my back to my knees, but not my neck or below my knees, because He wants us to share a little bit of His sufferings on the Cross, with Him, and if I ask for all of me to be healed, I'll have nothing to offer Him.")

So she formed the above into a prayer and the next thing she knew, the area she had asked healing for, became gently warm and very comfortable and the pain left her. She still glows when you ask her how she's feeling, and it's so nice to see her smiling more.

Other Healings: The Lord healed Joyce Vivian of a knee condition on my previous visit. When asked to give testimony about it at a public rally this time round she at first demurred. Immediately she had twinges of the old trouble and straight away reversed her decision and the twinges went. She told this in the course of testifying.

At the same public rally Ian Leaning testified. His wife Linda had an ectopic pregnancy and as a result lost the fallopian tube. The other fallopian tube was so badly scared that their chances of having another child were "slim to nil". They were prepared to pay AU\$10,000.00 for IVF treatment but were told by the experts in that field that there was equally slight chance of conceiving. At the mother-in-law's request they came to my previous meeting, 14 months earlier. I had asked for an October conception but they conceived in April and now have Charlie. In June 2008 Ian developed a back problem. He has had a motor bike accident 30 years ago. X-rays revealed an inoperable tumour. Connie, the mother-in-law gave him a prayed over handkerchief. The doctor then revised his opinion ... not a tumour but scar tissue from surgery 30 years ago. Ian is a non believer.

'Maintaining Being at the Cutting Edge'

July 2009

Luke 9 [57-62]: As they were walking along the road, a man said to him, 'I will follow you wherever you go. Jesus replied, 'Foxes have holes and birds of the air have nests, but the Son of Man has no place to lay his head.' He said to another man, 'Follow me.' But the man replied, 'Lord, first let me go and bury my father.' Jesus said to him, 'Let the dead bury their own dead, but you go and proclaim the kingdom of God.' Still another said, 'I will follow you, Lord; but first let me go back and say good-by to my family.' Jesus replied, 'No one who puts his hand to the plow and looks back is fit for service in the kingdom of God.'

- * Jesus is meaning we need keep focus on His call on OUR lives.
- * There can be no looking back, no compromise with 'the world.'
- * Our 'yes' to Jesus needs to be 'yes' and that calls for a committed focus.
- * We are to be 'radical' for Christ; in the world but not of the world.

The Importance of 'Maintaining'

- * The wide road or the narrow? Both go the distance, they do not merge.
- * Seeing it through, maintaining it day in and day out, IS challenging.
- * Daily Disciplines of a Dedicated Disciple lead to Eternal Life.

Life Is For Greater Than Simply Having A 'Good Time' On Earth

1. Life is meant to be more than the 'here and now'
2. When your body dies, it is not all over for you, or your family
3. You will spend far more time on the 'other side of death'

* How we live life this side of death will decide where we live eternity and that is the same for *all people*, including those in our family, our house group, our church and our workplace

* Jesus said it plainly enough 'follow me'- meaning in life and in word.

Discussion Starters- Taking Stock [Tomorrow Might Be Too Late]

1. How are you going with those 'daily disciplines'?
2. How can members of your group support each other in these areas?

PRAYERWATCH SOLDIERS OF CHRIST, ARISE

Colossians 2:15 *And having disarmed the powers and authorities, he made a public spectacle of them, triumphing over them by the cross.*

The central focal point of the whole human history is the 'Cross of Christ' and for us as Christians we cannot conceive what it was like to live before the 'Cross of Christ'. Those living before the 'Cross of Christ' were dead in their sin but for us the redeeming work of Jesus' death on the Cross gives us forgiveness of our sins. We live in the blessing of an incredible event as God is reconciling the world back to life through Jesus Christ. The death and resurrection of Jesus spelled defeat for the enemy so we have sicknesses healed, bondages broken, sins forgiven and the broken made whole. No wonder Paul said in **Galatians 6:14** - *May I never boast except in the cross of our Lord Jesus Christ, through which [Or whom] the world has been crucified to me, and I to the world.*

The point of unity for all true Christians is the 'Cross of Christ' whether we are Jew or Gentile, male or female, slave or free, black or white: Jesus is our peace.

1 Corinthians 1:18 *For the message of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.*

Let us always remember the 'Cross of Christ', the importance it has in saving us, the central position it has in our way of life and the way we live out this special call and finally the power it has and gives to us as we walk with Jesus.

If you have any comments or questions concerning the Prayerwatch then please send them to me at alan.mckenzie@clear.net.nz or give them to one of your branch leaders to send to me.

God bless and watch over you all.

Alan McKenzie. National Coordinator Prayerwatch.
